

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 3625 – SB 3481

May 4, 2010

**SUMMARY OF AMENDMENTS (013832, 018070):** Amendment 013832 deletes Section One of the original bill. Prohibits registered sex offenders from residing in any public university housing facility. This includes on and off-campus housing. Amendment 018070 changes the effective date of the bill to July 1, 2011.

FISCAL IMPACT OF ORIGINAL BILL:

Increase State Expenditures - \$223,800/One-Time

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENTS:

**Increase State Expenditures – Not Significant**

Assumptions applied to amendments:

- The University of Tennessee (UT) and the Tennessee Board of Regents (TBR) will develop an automated system that will extract a list of sex offenders from the Tennessee Bureau of Investigation's Web site and compare that list to applicants and existing residents. This system can be developed and implemented within existing resources without an increased appropriation or reduced reversion.
- The automated system should alleviate the need for additional personnel. Currently, applications are reviewed manually at TBR and UT. Though this new requirement will require additional personnel time beginning in the fall of 2011, this fiscal note assumes that no new personnel will be required.
